

## Super Sunday

Nee Soon South CC hosted the annual Super Sunday *getai*-style show at Block 838 Yishun Street 81 on 7<sup>th</sup> August 2016. Over 500 residents came and participated in this event. Grassroots adviser Er. Dr. Lee Bee Wah was warmly welcomed by residents of Nee Soon South.

Popular *getai* host Hao Hao hosted the event on that Sunday evening and residents had a delightful evening. This year's performance came with a combination of drama and singing which made it different from the usual "*getai*" style of performance. Mr Tan, a resident and also a regular fan of the event, commented that the changes were very refreshing!

Some 500 residents attended the Super Sunday event.
